# Additional Snapshot

728<sup>RD</sup> EOD

Conducting dismounted clearance with partnered ANA, HHC 1/502 INF discovered a large weapons cache. Against EOD and CF advice/instruction ANA insisted on transporting the cache back to show their commander.

As a result cache was transported to COP Ashoqeh and prepped for EOD. Due to the quickly diminishing light TM 1-2 arranged for the cache to be transported upon arrival to COP Ashoqeh. Items were cataloged and prepared for disposal at the LDA approx 600m south of the COP.

Cache consisted of

27 x Type 65 Chinese 82mm HEAT Recoilless Projectiles,  
2 x Type 69-1 Chinese 85mm HEAT RPG,  
3 x RGD-5 Russian HE Hand Grenade (no fuze),  
1 x F1 Russian HE Hand Grenade (no fuze),  
19 x RPG Propulsion Charge,

and approx 1000 rnds of small arms mostly 7.62x39mm.

All items were disposed of. No additional hazards found. TM RTB
