~~CONFIDENTIAL // REL TO USA, ISAF~~

Additional Snapshot

Following a SA Contact on an ISAF Patrol, PGSS had tracked 2 x FAM's carrying a LBW, they were observed IVO CMPD 29/32 and identified as dropping the LBW in some undergrowth, before moving West out of the AO. C23A were tasked to identify the location of this Cache IVO of CMPD 29/32, a LBW and Assault vest was identified at Grid (b)(1) 1.4(a) due to no over watch on this area for a 2 hour period a 10 liner was submitted and Brimstone 14/38 were tasked. On arrival C53A escorted Brimstone to the cache, 1 x LBW, 1 x Assault Vest and 2 x Packets of AA batteries were identified, The items were remotely removed from there location and handed to WIS for exploitation.
